european national football came together in the summer of 2012 for the 14th occasion this book sets out to examine the enduring social tensions between supporters and authorities as well as those between local national and european identities which formed the backdrop to the 14th staging of the european national football tournament euro2012 the context of the tournament was somewhat unique from those staged in previous years being jointly hosted for the first time by two post communist nations still in the process of social and economic transition in this respect the decision to stage euro 2012 in poland and ukraine bore its own material and

symbolic legacies shaping the tournament the unsettling of neo liberal imaginings and emergent east west fears about poor infrastructure inefficiencies and corruption jostled with moral panics about racism and fears surrounding the potentially unfulfilled consumerist expectations of west european supporters the book seeks to explore the ideologies and practices invoked by competing national sentiments and examine the social tensions ambiguities and social capital generating potentials surrounding national ethnic european identity with respect to national football teams supporters and supporter movements this book was published as a special issue of soccer and society

soccer the most popular mass spectator sport in the world has always remained a marker of identities of various sorts behind the façade of its obvious entertainment aspect it has proved to be a perpetuating reflector of nationalism ethnicity community or communal identity and cultural specificity naturally therefore the game is a complex representative of minorities status especially in countries where minorities play a crucial role in political social cultural or economic life the question is also important since in many nations success in sports like soccer has been used as an instrument for assimilation or to promote an alternative brand of nationalism thus jewish teams in pre second world war europe were set up to promote the idea of a muscular jewish identity similarly in apartheid south africa soccer became the game of the black majority since it was excluded from the two principal games of the country rugby and cricket in india on the other hand the muslim minorities under colonial rule appropriated soccer to assert their community identity the book examines why in certain countries minorities chose to take up the sport while in others they backed away from participating in the game or alternatively set up their own leagues and practised self exclusion the book examines european countries like the netherlands england and france the usa africa australia and the larger countries of asia particularly india this book was previously published as a special issue of soccer and society
