why a strong mission and inspired leadership are vital to the success of america s colleges and universities in 1998 soon after assuming the presidency of tulane university scott cowen was confronted with a setback despite an undefeated football season and putting the best financial deal on the table cowen was unable to retain the school s football coach the coach wanted something the president didn t have a football program so popular as the coach put it that fans would line up their winnebagos on wednesdays in anticipation of saturday games in that moment cowen improbably found himself in the entertainment business and his university was deemed wanting at a time when schools seem overrun by sports programs spiraling costs and absurd ranking systems winnebagos on wednesdays argues that colleges
